GIVING GUIDE

ENDING THE CYCLE OF HOMELESSNESS, ONE CHILD AT A TIME.

This year, Hope for the Holidays will be looking a little different. Team Kid is transforming our community space into Santa's Workshop. With the help of donors and volunteers like you, we can stock our shelves full of toys and games on our youth's wishlists.

Parents will come to the workshop to “shop” for gifts that they know their children will love. While still providing our youth holiday presents at no cost, this year, you are also gifting our parents with the pride and dignity of knowing that they chose the gift that put a smile on their child's face.

We've put together this Giving Guide to help share the many ways you can get involved this holiday season.

LET'S BE REAL, WHAT TEENAGER WANTS AN ADULT TO PICKING OUT THEIR NEW SHOES?

We'll be gifting our teens with gift cards to their favorite stores. Hosting a gathering during the season? Why not ask your guest for a \$25 gift card to some of our teen's favorite stores such as Target, Ulta, Best Buy, Tillys, Amazon etc...
