PROJECT HOPE ALLIANCE

Stocking Drive

how to build a stocking

1. Purchase a holiday stocking.
2. Put a gift card in it. (Suggested value is $25-$50)
3. Fill it with goodies! To keep things simple as our group grows, stockings will be gender-neutral and more universally giftable. Please still label with an age group!
4. Bring your stocking to the PHA office.
5. Make the holiday season brighter for a kid experiencing homelessness!

New and unwrapped toys can also be dropped off at our office!
